Scan this QR Code for Blaster Files!

Screw Length Cheat Sheet:

: M3x6mm

: M3x15mm

: M4x5mm

: M4x12mm

: M4x8mm

Note: In this design, M4x12mm screws are
interchangable with M4x14/15mm screws.
Some kits may come with 14/15's instead
of 12's based on my current stock of HW.

If any hardware is missing from your kit, please contact
me so I can send the needed parts to you. Note that a
few extras are included for some of the smaller parts,
Don't be concerned if you have spare hardware left
over after building your blaster.
